Thank you for agreeing to support the Whitewater High School Lacrosse Program. To insure that we are successful, financial support from within our community is vital. Our school system does not fund athletic activities, hence our program could not exist without the generosity our sponsors. This funding provides player uniforms, equipment, transportation expenses, coaching and playing fields for use in practice and games.

Please complete the attached sponsorship form and attach a copy of any necessary artwork/logo/business card if sponsorship includes a banner. Return forms & artwork with a check made payable to "WLBC" (Whitewater Lacrosse Booster Club). You may return your check with the player who is soliciting your sponsorship or you may mail it as follows:

Whitewater Lacrosse Booster Club
100 Wildcat Way
Fayetteville, GA 30215

Sincerely,

Kris Muir, Head Coach WHS Lacrosse

Carlos Jaurique Jr, WHS Lacrosse President
